February 2016

A Special Visit from Pets for Health

Last month, Chewy came to visit us from local organization Pets for Health. Through animal-assisted activity (AAA), Chewy is one of the many therapy animals that helps to provide opportunities for motivational, educational, recreational, and/or therapeutic benefits to enhance quality of life. Residents and staff alike thoroughly enjoyed spending the day with Chewy! Thank you, Pets for Health, for introducing us to our new four-legged friend!

Celebrating our Loved Ones

Pelican Pointe staff, residents, and families enjoy coming together for an evening of celebration of family and love. We can't thank you enough for being such an extraordinary part of our own Pelican Pointe family!

The love of a FAMILY is life's greatest blessing

Happy Birthday!

Staying Active at Pelican Pointe

Helping residents remain active in their hobbies and interests is extremely important to Pelican Pointe. Those activities help stir memories, foster emotional connections with others, and encourage self-expression. From practicing handwriting and fine motor skills, to relaxing watercolor painting, to writing letters to loved ones, to crafting a birthday card for a fellow resident – participating in a variety of activities aid in keeping minds working and spirits lifted.

Thanks to our Pelican Pointe staff for your dedication and commitment to providing our residents with encouraging and engaging activities every day. Thank you for making these activities possible!
