“Donut” You Know About National Donut Day?

National Donut Day was originally established in 1938 by the Chicago Salvation Army as a fundraiser during the Great Depression. In recent times, it has become known as a day of celebration of the tasty treat! We took part in the celebration by having a donut party at Pelican Pointe complete with delicious homemade donuts!

Visiting with our Four-Legged Friend

According to multiple scientific studies, pet therapy has proven to be incredibly beneficial, especially with the elderly. The Alzheimer’s Association states that pets benefit senior citizens remarkably through socialization and increasing emotional well-being. Residents at Pelican Pointe truly love when our animal friends come to visit! We send a heartfelt thank you to Pet Partners and our pal Tillie for putting smiles on our faces.

Celebrating our CNA Staff

With National CNA Week being in June, we just had to have celebration for our fantastic team of CNAs! CNAs gathered last month for an appreciation social complete with a full lunch, desserts, and gifts of our gratitude. Thank you for all you do - you are truly an integral component of our goal to provide exceptional healthcare.
