## 2016 Best of Acadiana Awards

Thinking out of the box helped Pelican Pointe to step into the winner's circle last month for the 2016 Best of Acadiana Awards! Being in the top 3 in the nursing home category in all of Acadiana was an incredible honor... and ultimately being selected the 2nd best nursing home in a field of many nominees was beyond our expectations. Many thanks to all of our supporters who believe in what we do as a facility and as a company and for supporting us!

**Learning and Loving Activities**

Pelican Pointe’s activity directors, Melanie Freeman and C-Cee Elliott, recently attended an Elder Outreach activity workshop training in Lafayette. The duo took home valuable information and resources to enhance their incredible activity program with technology and validation therapy. Melanie and C-Cee also networked with other activity directors, while sharing their own talents and activity ideas.
