Committed to the Cause

Even though some at Pelican Pointe have lost so much, we are still so blessed and felt compelled to extend our help to others who need support during the aftermath of flooding in our area. Staff recently collected, sorted, and distributed supplies to those affected by the tragedy. It's all about coming together and helping one another!

Ms. N. Turner

Ms. Turner enjoys playing bingo, watching TV gameshows, & family visits. Thank you for choosing Pelican Pointe as your home, Ms. Turner!

Inspirational Quote of the Month

“Obstacles don’t have to stop you. If you run into a wall, don’t turn around and give up. Figure out how to climb it, go through it, or work around it.”

—Michael Jordan

Pet Therapy = Best Therapy

Residents at Pelican Pointe consistently love their visits from Pet Partners. It is reported by the Alzheimer’s Association that pet therapy benefits seniors in multiple ways, including socialization and an increase in emotional well-being. As always, Pelican Pointe extends their gratitude for their continued efforts in pet therapy with residents. We appreciate you!

Training our “Troops”

Sharon Young, Corporate Service and Care Coordinator, recently visited Pelican Pointe for a training session with staff. She leads dementia and Alzheimer’s training where team members not only learn very valuable and useful information, but have a blast doing it. Our training is never boring with Sharon teaching! She is truly great at what she does.
