Times of Acadiana's Best of 2017

You like us, you really like us! And we like you, too! Pelican Pointe was honored to be voted third best in all of Acadiana in the Nursing Home and Assisted Living Center category. Pelican Pointe humbly accepts this honor and we're determined to come back stronger and better next year! Thank you for your support – we couldn't be prouder to work with some of the greatest people on earth who wear their passion and dedication on their sleeve.

Color Me Happy

Coloring is no longer just for kids! Adult coloring books have gained tremendous popularity recently due to their proven therapeutic benefits. According to the American Art Therapy Association, art therapy is a mental health profession in which the process of making and creating artwork is used to explore feelings, reconcile emotional conflicts, foster self-awareness, develop social skills, improve orientation, and reduce anxiety. This new trend is one we absolutely love at Pelican Pointe!

Reminders:

Resident Funds are available on weekends at the rehab nurses station.

It's spring cleaning time! Please help us to free up space in your loved ones closet, drawers, and room.

Your cooperation is appreciated!

Sincerely,
 Pelican Pointe
