Home Sweet Homecoming

Pelican Pointe residents recently took a trip to UL for their 2017 Homecoming game. The game versus the New Mexico State Aggies took place on November 18th. The Ragin' Cajuns walked away with a win, and residents walked away with huge smiles on their faces!

Getting Schooled on Healthy Habits

Pelican Pointe residents received a visit from UL nursing students last month. These students taught residents about peripheral vascular disease (PVD) in a fun and entertaining way. The education session included a bingo game with images that the students explained to each resident during a one-on-one conversation. The residents had fun interacting with the students, and they walked away with valuable information on how to treat and prevent PVD!

Olive Branch Christmas Luncheon

Residents had so much fun last month at the Episcopal Church Olive Branch Christmas luncheon! The food was absolutely delicious, and everyone had a great time socializing with one another.
