DECORATING FOR A CAUSE

Pelican Pointe residents recently created decorations in recognition of World Alzheimer's Month, the international campaign held every September to raise awareness and challenge the stigma that surrounds dementia. This was just one of many events last month dedicated to Alzheimer's awareness.

DON'T LET THE FLU SNEAK UP ON YOU!

Flu season (October 1st thru March 31st) is fast approaching! Please encourage your loved ones in our facility to receive the annual flu vaccination.

Flu Facts from the CDC:

1. Flu vaccination is especially important for people 65 years and older because they are at high risk of developing serious complications from flu.
2. CDC recommends everyone to cover coughs, wash hands often, and avoid people who are sick.
3. Flu symptoms include fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills and fatigue.

We are asking our families and friends of our residents to utilize hand sanitizer, cover your cough and if you do not feel well to refrain from visitation.

Thank you in helping us keep our facility Flu Free this season!

RESIDENT OF THE MONTH

MR. I. HEBERT

Mr. Hebert enjoys going out to eat, socializing, and bingo! Thank you for choosing Pelican Pointe as your home, Mr. Hebert.

INSPIRATIONAL QUOTE OF THE MONTH

Setting goals is the first step in turning the invisible into the visible.

WORKS OF HEART

Pelican Pointe residents held a memorabilia sale last month to raise funds for Alzheimer's Disease awareness. Ms. Broussard and Ms. Deville had many handmade creations on display. One of their customers was Mr. Avery, who bought a blanket crocheted by Ms. Deville.
